Mr. Donald Averett
Senior Reports Analyst
Reports Analysis Division
Federal Election Commission
Washington, D. C. 20463

Dear Mr. Averett,

I received your communications yesterday where you ask for clarification on some points on three of our previously filed reports. This letter will clarify those points.

1. OCTOBER QUARTERLY REPORT (8/25/94 - 9/30/94)

On Detailed Summary Page, line 23 we should have put in \$1000 in column B. On lines 21, a and b, we should have put \$56.93. On line 24, we have corrected the total in column B, which also alters the amount on lines 30 and 31. That corrected amount is \$17313.71. The amended page is enclosed.

2. 12 DAY PRE-GENERAL REPORT (10/1/94-10/19/94)

We made an addition mistake. The totals on Schedule D, pages 2 of 3 and 3 of 3 show the corrected amounts. Those corrected pages are included along with the corrected summary page with the corrected total of "debts and obligations owed by the committee." That new total is \$19605.55

3. 30 DAY POST-GENERAL REPORT (10/20/94-11/28/94)

For this report and for the 12 day pre-general report (discussed above), you question expenditures made by the PAC to our parent organization, Wisconsin Right to Life, Inc. We are quite aware Wisconsin Right to Life, Inc. IS PROHIBITED from spending any money to influence elections. But the expenditures you question were made by the PAC. The PAC often PURCHASES items from WRL, Inc. such as GOTV lists, mailing lists, etc. and does so at fair market value. In addition, when the PAC uses resources in the WRL, Inc. office, THE PAC PAYS FOR SUCH USE. Examples would be using the copier or RENTING the telephone banks or individual phones for GOTV phone calling. Also, there are several individuals who work most of the year for WRL, Inc. but during election times, they will spend some of
